Field of knowledge expanding fast because the developing reading habit is the growing our maturation and the increase our knowledge. Reading at school limited to subjects offered not because school is a limitation to the all subjects. These subject is giving the limited knowledge because The book is prescribed on the a certainly syllabus. So, reading at school limited to subjects offered. And extra reading necessary for rounded personality because If we have the good reading habit so increase our rounded personality because present age is the continuous learner. So this is needed requirement. Importance of developing reading habit is the creation of generation gap. and It was create the reading necessary to keep up dated. So We are necessary reading habit. Developing the reading makes a full man. So we can say that Important of deloping reading habit.
