Abuses Every things has two sides
 Science also has a dark
 side. The invention and the production
 of atom bombs and other dangerous
 weapons are the great threat
 existence the humanity in the
 world. These can distroy the world
 with in seconds. Secondly big mills
 and factories and vehical are
 polluting atmosphere. It is becoming
 more and more difficult to get
 pure water and air. Due to pollution
 there is a hole in ozone layer.
 It causes many incurable diseases.

How to minimize the Abuses By creating
 a healthy
 atmosphere we can keep the threats the
 existence of humanity under
 control. All the threats of wars
 must be ended. we should treat
 all the person as our brother and

A Scene of an election booth.

In front of an election booth I saw long queue of voters who was waiting for their turns to go in. That was an election for parliament. Two polling officers stood at the out of room and on one side some polling agents. On opposite side some police officers. A polling officer checked the name of voters and demanding the identification. And the other polling officer was putting an indelible ink on the index finger of the left hand of the voter. After that some presenting officers ordered the voter to enter the room which where electronic voting machine (EVM) is situated. The voter went and press the button of his choice. Thus the voter completed his vote.
