of Computer and television which will affect their eyes.

ii) Much Interest in Games:-

If the person took more interest in Games rather than any other activity then it will be disadvantage as all things should have its balance in life.

iii) For Studies:-

Student stress much on games which result in their studies. To much involve will exploit their future which is not good. Student should play games but on time.

'Games and studies should be hand and hand'.

Both should go on and on. Neither one should leave nor other should give preference.
