M.P. Board of Secondary Education

Dear Shri. KRISHNA DEO TRIPATHI

Indian National Science Academy (INSA) is a premier science academy of India. The Academy aims at promoting science in the country through a multitude of activities. The Academy under its science & society programme supports a scheme under which lecture-cum-interaction meetings conducted by INSA Fellows/Young Scientists (YS)/teacher Awardees (TA)/ Indian National Young Academy of Sciences (INYAS) members to young students and teachers of schools and colleges in the remote /rural areas or less privileged schools / Government schools of urban areas.

The aim of this programme is to generate curiosity, excitement and knowledge among students about various aspects of science and to inspire and nurture their minds for science education and research by interactions with the top scientists of the country.

The Academy In this lecture programme will cover the cost of travel and local conveyance for speaker (INSA Fellows/Young Scientists (YS)/teacher Awardees (TA)/INYAS members), as applicable and the expenses towards stay (max 2-3 days).

Kindly circulate this programme information to all the schools in your state. If any school under your state willing to organize lecture events kindly inform at the following email [sci\\_soc@insa.nic.in](mailto:sci_soc@insa.nic.in) INSA will circulate the information among INSA Fellows/Young Scientists (YS)/teacher Awardees (TA)/INYAS members and request them to consider these places for delivering their lectures.

Thank you

With warm regards,

Ashutosh Sharma
