Question - 6

'04'

Paragraph'Importance of English'

English is an international language.

If you want to travel or to do business in foreign countries then you have to learn English because

B
S
E English is spoken by most of the people in the world. Many people says that why learning English is so important there are many other languages.

It is important because, suppose if you want to study in foreign countries like England, America etc.

Then you have to learn this language.

Because if you do not do so then you will not be able to communicate with people of these countries. Thus, English is the language of communication also.

Still some people says that English had become too important that some people does not respect the other languages. This is wrong. Because we have to learn English but also to respect & learn other languages.

also . English is the language of computers & mobiles too . Learning or speaking English also provides you better job opportunities because many of the employers prefer employees who are bilingual [means who can speak two languages]. We should speak English but other languages also . Thus , we conclude that learning English is very important & one who can speak English can communicate with the people of other countries also .

Question - 3

In the given picture , we can see mountains , trees , sun , birds & a river .

May be this is a picture of a village because in cities & towns we cannot see this beauty . We can see that the birds flying in the open sky .. The sun is rising in the middle of the two mountains . There are trees also . One who visit this place can get peace of mind because in cities , there is only pollution . The trees are very important in our life .

प्रश्न क्र.

They provide us wood, fruits & vegetable & the most important oxygen to breathe. In the given picture, we can ^{also} see the trees. The beauty of this place increases with the presence of trees. In this picture we can also see a river, maybe the water of this river is used to meet the water requirements of the village.
