S  
E

①

Introduction → "All work and no play makes jack a dully boy" goes the saying. Development of the body is as important as that of mind. Games and sports help in the development of the body. They are food for the body as knowledge is food for the mind. If health is wealth then the games and sports are the means to get it. They keep us active and makes us smart.

15

प्रश्न क्र.

(ii)

Physical and mental training →  
Gandhiji said, "Physical training should have much place in curriculum as mental training". Mere bookish knowledge would not lead to a proper development of the body. Similarly mere sports won't do. The two should be blended in suitable proportion at mental in an ideal personality. So that the student can have best of them.

M

P

B

S

E

(3)

Good for health → Games and sports are good for health. They refresh our mind and fill the body with fresh air. They keep us free from diseases. They make us more healthy.

(4)

Develop sportsmanship → Games and sports develop the spirit of sportsmanship. The players learn the need of cooperation. This quality makes them a good citizen. They live

प्रश्न क्र.

a community life and self-sacrificing nature.

(5) Inculcate discipline → Games and sports develop a sense of discipline among students. The players abide by the rule. A disciplined team won the match. It helps them to learn the importance of rule in life.

M

P

B

S

E

1/2

(6) Conclusion → Games and sports are therefore very essential in our life. They develop many qualities like sportmanship, discipline, leadership and a sense of humour among students. A student who plays games a while studying ~~serious~~ properly would become an ideal personality.
