Respected sir,

I am student of class X of
your school. My father is
a small grocer. His
income is very low, it
become very difficult to
run family in such a low
income. He is unable to purchase
books for me.

Therefore, I request you to kindly
issue me course books from
the book bank. I shall ever be
thankful to you for this kindness.

house warm. It give us light.
Modern life is impossible without electricity.

3. Means of transport and communication:
Science has given us many means of transport and communication. It has made our travel easier. With the help of buses, cars, trains, aeroplane man can reach any part of the world within very less time.

4. Medicine and Surgery: In the field of surgery too, science has done wonders. Heart transplantation are ordinary now-a-days. It has cured many dangerous diseases like leprosy.

5. Disadvantage of science: Everything has two sides, science too has a dark side. Construction and production of atom bombs are a great threat to the world at large. Apart from that big industries, mills also pollute the environment.
